

SPRING SYMPOSIA
WITH INTERNATIONAL PARTICIPATION
LABORATORY IN DIAGNOSIS AND
FOLLOW UP OF HEMATOLOGICAL DISEASES

APRIL 5-7 2018

RICHMOND PAMUKKALE THERMAL HOTEL

Dear Colleagues,

Spring Symposia with international participation: “Laboratory in Diagnosis and Follow up of Hematological Diseases” organized by Turkish Society of Clinical Chemistry will be held on April 5-7, 2018 at Richmond Pamukkale Thermal Hotel.

The role of the laboratory in all aspects of hematological diseases starting from hematopoiesis to stem cell transplantation will be discussed by specialists of laboratory medicine and clinicians. Your scientific studies dealing with hematological diseases will take place in the scientific program as posters and oral presentations.

Besides the extensive scientific program, a cheerful and sincere social program will be organized in order to spend a good time in the atmosphere of Pamukkale which is a history and natural wonder with unique beauty.

We are honored and happy to announce and to invite you to **Spring Symposia with international participation: “Laboratory in Diagnosis and Follow up of Hematological Diseases”**.

Sincerely,

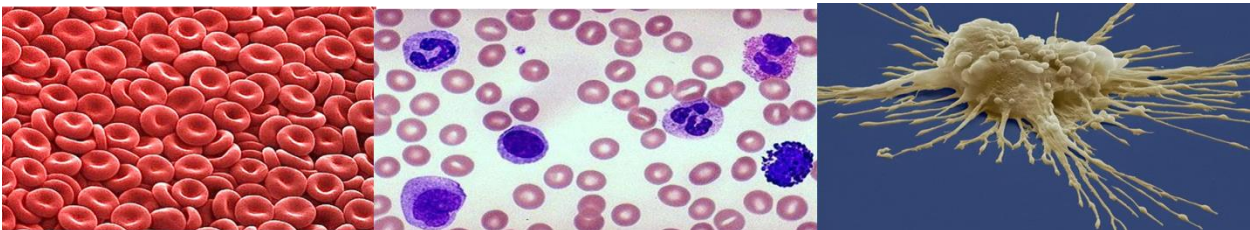

Aslihan Karul

SYMPOSIUM SOCIAL PROGRAM

Antique city Hierapolis and Pamukkale visit:

Hierapolis was an ancient **city** located in hot springs in classical Phrygia in southwestern Anatolia. Its ruins are adjacent to modern **Pamukkale** and currently comprise an archaeological museum designated as a UNESCO World Heritage Site. The hot springs have been used as a spa since the 2nd century BC. After the scientific program, antique pool and theatre, museum and white terraces of Pamukkale will be visited with the tourist guides. Kindly remind you to take your Museum Card or Maximum Card.
